

John Calvin School – End of day bus arrangements

We are currently trying to improve the management of our premises for parent parking and bus movements at the end of the day. Today I spoke with the driver and discussed his thoughts about how our changes might work. We really want to make it work effectively for the drivers, so any feedback is very welcome.

To avoid congestion and make it easy to exit the school, we suggest that the Manions bus arrives early (as it does now, 2:45pm), and reverses into position as marked below. The teacher will mark off all students before moving to the bus to board.

Could you please advise your drivers and I will touch base with them over the next couple of weeks to discuss any issues. Please feel free to forward any suggestions you may have.
