## Uniform Policy

All students are expected to adhere to School uniform requirements and to wear their School uniform with pride. When travelling to and from school, students are expected to wear complete School uniform.

The compulsory School uniform must be worn every day unless otherwise indicated by the school and may have to be worn at a number of specific school celebrations. For general wearing of the uniform, the following applies:

- Skirts have been made on a long line style and should be knee length.
- Males have the option of school grey shorts with school long grey walk socks.
- The school hat is for outdoor use.
- Students who attend high school must wear a school blazer as the outer garment with the exclusion of formal occasions. A school black scarf may be worn with the uniform.
- In winter, if students need to wear an additional coat over their school jumper our uniform shops have available a school spray jacket.
- T-shirts (long or short sleeve) are not to be visible underneath the school uniform.

**If for any reason a student is unable to wear the school uniform to school, a note is requested from home explaining the particular circumstances. The complete school Sports Uniform may be permitted as an alternative in these circumstances.**
