

Getting help with Learning @ Home

We're all on this 'Learning @ Home' journey together, but we'll all experience it differently. You don't have to do it alone, and we're here to help if you are finding any aspect of Learning @ Home challenging.

Contact your child's class teacher . . .

- If you have any questions about what your child is supposed to be doing
- If your child is struggling with a task or struggling to get through the work
- If your child doesn't know how to use or where to find something on their provided technology
- If your child needs enrichment or extension
- If your child just wants to connect with their teacher again
- If your child needs social/emotional support

Contact the Assistant Principal – Head of Primary . . .

- If you're unable to get a response from your child's teacher
- If you have questions or concerns about the primary programme in general
- If you want to adjust your child's attendance for this 'learning @ home' period

Contact the Principal . . .

- If you're unable to get a response from the Assistant Principal
- If you have questions or concerns about the secondary programme in general
- If you need support or advice about secondary social/emotional needs
- If you have queries or concerns of a more general nature

Contact the IT Manager . . .

- If you have concerns about the provided device that your child's teacher could not help with
- If you have questions about home internet issues
- If you have questions about home device safety

Contact the Board . . .

- If you're unable to get a response from the Principal
- If you're faced with financial difficulties that affect your ability to pay your school fees

For contact details of any the above, contact the school office on
